CHAPTER 24.1	Revision Date:
4.24.1 ACCESS TO CONTRACEPTIVE AND FAMILY PLANNING SERVICES POLICY	Attachments: Yes <input type="checkbox"/> No <input checked="" type="checkbox"/>

I. POLICY

California Correctional Health Care Services (CCHCS) shall provide female patients who may become pregnant, their choice of birth control methods and emergency contraception, approved by the United States Food and Drug Administration (FDA), unless medically contraindicated. CCHCS shall also provide nonprescription birth control methods, without the requirement of seeing a licensed health care provider.

CCHCS licensed health care providers trained on reproductive health and family planning services, based on their residency and board certification, shall provide nondirective, unbiased, and noncoercive prescription contraceptive services and contraceptive counseling.

II. PURPOSE

To ensure female patients who may become pregnant have access to family planning services, contraceptive counseling, and the birth control method of their choice.

III. RESPONSIBILITY

The Chief Executive Officer or designee of each institution is responsible for the implementation, monitoring, and evaluation of this policy.

IV. LOCAL OPERATING PROCEDURE

Central California Women’s Facility, California Institution for Women, and Folsom Women’s Facility shall establish a Local Operating Procedure (LOP) to implement the statewide policy.

The elements of the LOP shall include, but not be limited to:

- Availability of family planning services including contraceptive counseling services.
- Availability of women’s health education.
- Pre-parole counseling.
- Patient’s choice of birth control.
