QUESTIONS/STATEMENTS AND ANSWERS

1. Question(s)/Statement(s):

"As per clause 12 and 13 on page 3, we need to provide Offeror's expertise and experience performing IT consulting services as requested in Exhibit A (statement of work) as well as three customer references for Offeror to verify engagement(s) similar in scope as requested in Exhibit A.

As per page 5, selection process, 0-5 points are for Three (3) references for Offeror and/or company and/or firm.

If the references provided by the company are not similar to scope of work, then:

1. Will the response be considered non-responsive; or
2. The response will be considered responsive but lesser points will be assigned for references as per page 5- selection process?"

Answer(s)/Statement(s):

Offeror's response will be considered, but fewer points may be given because CPHCS may not be able to verify engagements similar in scope to Exhibit A (Statement of Work).
