

Information Security Consulting
Request for Offer (RFO) #09-042-ITS

Questions and Answers

1. Question(s)/Statement(s)

- May work experience be substituted for the Bachelors Degree requirement?

Answer(s)/Statement(s):

- No. To be considered for award, the proposed consultant must have a Bachelors Degree.

2. Question(s)/Statement(s):

- The scope of this RFO appears to be better suited for the CISM certification rather than the CISA certification. Would the "CISM" certification be acceptable to meet this requirement?

Answer(s)/Statement(s):

- No. To be considered for award, the proposed consultant must be certified as a CISSP and/or CISA.
- Possession of CISM certification is a desirable qualification.

3. Question(s)/Statement(s):

- Will CPHCS provide any necessary testing/management tools required to complete the Statement of Work (e.g., Allgress)?

Answer(s)/Statement(s):

- Yes. Upon execution of Agreement, CPHCS will provide the necessary testing/management tools to complete the Statement of Work (SOW).
