California Disabled Veteran Business Enterprise (DVBE) Program Requirements: The State has established goals for Disabled Veteran Business Enterprises (DVBE) participating in State contracts. Please review the attached DVBE program requirements package. Bidders must complete and return all the appropriate pages in order for the bid to be considered responsive.

For the purposes of this solicitation, the DVBE program requirements are waived due to time constraints.

Small Business Regulations: The Small Business regulations, located in the California Code of Regulations (Title 2, Division 2, Chapter 3, Subchapter 8, Section 1896 et. seq.), concerning the application and calculation of the small business preference, small business certification, responsibilities of small business, department certification, and appeals are revised, effective 09/09/04. The new regulations can be viewed at (www.pd.dgs.ca.gov/smbus). Access the regulations by Clicking on "Small Business Regulations" in the right sidebar. For those without Internet access, a copy of the regulations can be obtained by calling the Office of Small Business and DVBE Services at (916) 375-4940.

Non-Small Business Subcontractor Preference: A 5% bid preference is now available to a non-small business claiming 25% California certified small business subcontractor participation. If applicable, claim the preference in the box on the right hand side of the first page of this solicitation.

Small Business Nonprofit Veteran Service Agencies (SB/NVSA): SB/NVSA prime bidders meeting requirements specified in the Military and Veterans Code Section 999.50 et seq. and obtaining a California certification as a small business are eligible for the 5% small business preference. If applicable, claim the preference in the box on the right hand side of the first page of this solicitation.

Attachment with bid required if claiming the Small Business Preference: All bidders must complete and include the Bidder Declaration form GSPD-05-105. If claiming the non-small business subcontractor preference, the form must list all of the California certified small businesses with which you commit to subcontract in an amount of at least twenty-five percent (25%) of the net bid price. All certified small businesses must perform a "commercially useful function" in the performance of the contract as defined in Government Code Section 14837(d)(4).

Small Business Certification: Bidders claiming the small business preference must be certified by California as a small business or must commit to subcontract at least 25% of the net bid price with one or more California certified small businesses. Completed certification applications and required support documents must be submitted to the Office of Small Business and DVBE Services (OSDS) no later than 5:00 p.m. on the bid due date, and the OSDS must be able to approve the application as submitted.

Small business nonprofit veteran service agencies (SB/NVSA) claiming the small business preference must possess certification by California prior to the day and time bids are due.

Questions regarding certification should be directed to the OSDS at (916) 375-4940.

Declaration Forms: All bidders must complete the Bidder Declaration GSPD-05-105 and include it with the bid response. When completing the declaration, bidders must identify all subcontractors proposed for participation in the contract. Bidders awarded a contract are contractually obligated to use the subcontractors for the corresponding work identified unless the State agrees to a substitution and it is incorporated by amendment to the contract.

Bidders who have been certified by California as a DVBE (or who are bidding rental equipment and have obtained the participation of subcontractors certified by California as a DVBE) must also submit a completed form(s) STD. 843 (Disabled Veteran Business Enterprise Declaration). All disabled veteran owners and disabled veteran managers of the DVBE(s) must sign the form(s). Protests: Any bidder's issues regarding solicitation requirements must be resolved (or attempts to resolve them must have been made) before a protest may be submitted according to the procedure below. These issues will first be resolved by the department contact for the solicitation or if they result in a protest the department will submit to the DGS Procurement Division Deputy Director will be heard and resolve issues and whose decision will be final.

Protests regarding selection of the "successful vendor" will be heard and resolved by the State Board of Control whose decision will be final.

All protests of award must be made in writing, signed by an individual authorized to bind the bidder contractually and financially, and contain a statement of the reason(s) for protest; citing the law, rule, regulation or procedures on which the protest is based.
