NOTE:

1. Any quantities listed on Exhibit B-2 are CDCR's estimates only and are offered as a basis for the comparison of bids. SMALL BUSINESS PREFERENCE

Current law encourages state departments to first consider a Small Business Enterprise (Small)/ Microbusiness Enterprise (Micro) for contracting opportunities. CDCR/CPHCS is committed to supporting Small/Micro business participation in state contracting and seeks to use certified Small/Micro businesses whenever possible.

A Small/Micro business enterprise is defined as a business certified by the Office of Small Business and Disabled Veteran Business Enterprise Certification (OSDC) in which the:

1. Principal office is located in California
2. Officers officers are domiciled in California
3. Business is independently owned and operated
4. Business, with any affiliates, is not dominant in its field of operation; and
5. a. For Small Business, either:
   (1) Business, together with any affiliates, has 100 or fewer employees and averaged annual gross receipts of $10,000,000 or less over the previous three years; or
   (2) Business is a manufacturer with 100 or fewer employees

   b. For Micro Business, either:
   (1) Business, together with any affiliates, has 100 or fewer employees and averaged annual gross receipts of $2,500,000 or less over the previous three years; or

(2) Business is a manufacturer with 25 or fewer employees

Section 14835, et seq., of the California Government Code requires that a five percent (5%) preference be given to bidders who qualify as a Small/Micro business enterprise. The rules and regulations of this law are contained in Title 2, California Code of Regulations, Section 1896, et seq. A copy of the regulation is available upon request.

To claim the Small/Micro business preference, which may not exceed $50,000 for any bid, your firm must have a completed application (including proof of annual receipts) on file with the Department of General Services (DGS), Procurement Division, Office of Small Business and DVBE Certification (OSDC), by 5:00 p.m. on the date bids are opened, and receipt verified by such office. Therefore, if you are a Small/Micro business, but are not certified, it is to your advantage to become certified. For certification and preference approval process information, contact the OSDC by telephone at (916) 375-4940 or access the OSDC Internet website at *www.dgs.ca.gov/osbcr*.

NON-SMALL BUSINESS SUBCONTRACTOR PREFERENCE

Pursuant to Title 2, California Code of Regulations Section 1896, et seq., and Government Code Section 14838, et seq., a bid preference of five percent (5%) is available to a responsive non-small business claiming no less than twenty-five percent (25%) Small/Micro business subcontractor participation with one or more Small/Micro businesses. This preference is considered only if the tentative low bidder is not a certified Small/Micro business.

In granting the Non-Small Business Subcontractor (NSBS) preference, no bid price will be reduced by more than $50,000. This preference cost adjustment is for computation purposes only and does not alter the actual cost offered by the bidder.

A non-small business is defined as a responsive/responsible bidder that is not certified by the DGS as a Small/Micro business.

To be eligible for the NSBS preference, the business concern must:

1. Complete OBS 550 (Non-Small Business Subcontractor Preference Request) and OBS 551 (Small Business Subcontractor/Supplier Acknowledgement) and submit with bid proposal.

NONPROFIT VETERAN SERVICE AGENCY (NVSA) SMALL BUSINESS PREFERENCE

Pursuant to Military and Veteran Code Section 999.50 et seq., Nonprofit Veteran Service Agencies (NVSAs) claiming Small/Micro business preference and verified as such in the relevant category or business type, will be granted a preference of five percent (5%) of the lowest responsive bid, if the lowest responsive bid is submitted by a bidder not certified as a Small/Micro business.

In granting Small/Micro business preference to NVSAs, no bid will be reduced by more than $50,000. The preference cost adjustment is for computation purposes only and does not alter the actual cost offered by the bidder.

To be eligible for the NVSA Small/Micro business preference, the business concern must:

1. Request preference at the time of bid submission; and

2. Have a completed application on file with DGS, OSDS by 5:00 p.m. on the date bids are due.

An SB/NVSA is not subject to the same standards as other certified Small/Micro businesses. SB/NVSA standards are identified in Military and Veterans Code Section 999.51(a)(3).

IDENTIFICATION OF CONTRACTORS, SUBCONTRACTORS, CONSULTANTS; SMALL/MICRO BUSINESSES AND DVBES

The CDCR must identify all contractors, subcontractors and consultants who will provide labor or render services in the performance of this Agreement and further identify whether any of the listed subcontractors and consultants are a certified Small/Micro business, or a certified DVBE by completing a Subcontractor/Consultant List. If any changes occur in the submitted original Subcontractor/Consultant List, the Contractor shall notify the Plata Contract and Invoice Branch (PCIB), in writing, within ten (10) working days of those changes, including any changes to Small/Micro business or DVBE status.

The CDCR asks that you encourage any subcontractor(s) and/or consultant(s) not currently certified as a Small/Micro business or DVBE, that you believe may meet the certification requirements specified herein, to become certified through the DGS, OSDC. Please provide those subcontractor(s)/consultant(s) the OSDC contact and certification information provided above.

If you are a certified Small/Micro business enterprise and fail to complete the Prime Contractor information section below, your business shall be classified as a large business which will preclude your bid from receiving the five percent (5%) Small/Micro business preference and cause incorrect reporting of Small/Micro business and large business participation by CDCR.

PRIME CONTRACTOR NAME: _____

☐ I am a Small Business Enterprise. My DGS reference number is: _____

☐ I am a Microbusiness Enterprise. My DGS reference number is: _____

☐ I am a large business.

NOTE: IF YOU ARE A CERTIFIED SMALL/MICRO BUSINESS ENTERPRISE AND FAIL TO COMPLETE THIS SECTION, YOUR BUSINESS WILL BE CLASSIFIED AS A LARGE BUSINESS, WHICH WILL PRECLUDE YOUR BID FROM RECEIVING THE FIVE PERCENT (5%) SMALL/MICRO BUSINESS PREFERENCE.
